Moncks Corner United Methodist Church

Proclaiming that Jesus Christ is Lord to our community and to the world through worship, mission, discipleship, and service to others.

Message from the PASTOR

And the one who was seated on the throne said, "See, I am making all things new." Also he said, "Write this, for these words are trustworthy and true."

Revelation 21:5

Happy new year! With each new year come new blessings from God as well as new opportunities. God is giving us new opportunities here at Moncks Corner United Methodist Church. Many of you are serving on ministry teams and committees as leaders of our church, and many of you have accepted responsibilities as new members of these teams and committees. Every member household will soon be receiving a list in the mail of all the team and committee members. Please read through this as a reminder of the ministry areas on which you agreed to serve.

Many of you are new to these ministry areas and may be interested knowing about your responsibilities. The Charleston District is offering a Job Function Training Workshop on Saturday, January 18, 10:00 to 1:00 at John Wesley UMC in Charleston. The ministry areas they will sponsor will be SPRC, Trustees, Worship, and Evangelism. Those of you who are now serving in these ministry areas are invited to attend, as is everyone. Please consider attending. Be in contact with me if you would like to go by January 8. I would like to have a car convoy to travel to this important event. A full-page flyer will be included in the committee list mailing.

I thank you for your willingness and dedication in serving God's church here in Moncks Corner. You are very special to me and the church as we work and minister together to expand God's kingdom in our community and around the world.

Rev. Randall Haase, Pastor
